We have uniforms specially designed for ADC by various suppliers; they are compulsory for ALL students. Please DO NOT buy outside dance attire before having the compulsory Ambiance Uniforms for enrolled classes and Team events. Ambiance Dance attire makes all students feel part of the team and shows the unity of our studio. Pride in one's presentation and appearance are paramount to an individual's development.

Correct attire, including shoes, for each class and genre has been outlined in the table below.

NOTE regarding shoes:

All Students should bring their shoes in a zip-up dance bag clearly labelled. Students must wear shoes in all classes unless specified by the teacher. The colour of the shoes below is a guide only and not always the colour needed for the showcase or performance teams.
